Drax is a Dragon
fairly young for his
race but smart none
the less. He hatched
from an egg on a
volcanic island he was
raised by his mother
and had no siblings.
He learned to tame
animals at His home
on the island and they
were his friends but
he still wanted to find
More intelligent
creatures. He decided
to leave his home in
search of adventure
and more of the world
when he was old
enough. One day he
said fare well to his
friends and family
opened his wings nad
ᶜᵉew from the island.
He traveled the
mainland for many
suns wich he did not
count. eventualy he
came to the town of
pax lair and met
friendly people and
many creatures to
tame " here" he
decided "is were i
shall live" and from
then on he has staye
din pax lair and tamed
and chatted to who
ever was around.
